

Amendments to the Building and Construction Industry Security of Payment Act

Building and Construction Industry Security of Payment Act

The Building and Construction Industry Security of Payment (Amendment) Act (the Act) is anticipated to come into force sometime in 2019. The Act will have significant impact on the adjudication regime and process. To ensure that SMC Adjudicators are aware of the amendments brought about by the Act, SMC will be arranging for a mandatory briefing for all SMC Adjudicators.

Important Note

This is a mandatory seminar for all SMC adjudicators. You are required to attend one of the two dates stated in this flyer.
